Re: 2010 NH National Engineers Week Banquet and Exhibition

Dear Member of the New Hampshire Engineering Community,

Please join the New Hampshire Joint Conference of engineering societies as we celebrate the annual **National Engineers Week**.

This year we are trying something different; an electronic invitation. The idea is to improve communication, invite many more people to join us, and reduce the amount of paper we use. In the past, you have received registration materials via the US Mail. Last year we noticed a very large number of guests and commercial exhibitors of our Engineering Expo request the forms electronically, or visit the New Hampshire Society of Professional Engineers' website at <http://www.nhspe.org/eweek> to download their registration forms directly. We hope this change will be an improvement, and are excited about the direction we are taking.

Enclosed in this comprehensive invitation and registration packet, you will find all the materials needed to register as a dinner guest, commercial vendor for the engineering expo, or a corporate sponsor.

Please print out the forms that you need, fill them out and return. You may send them in the most convenient method for you: email, FAX, or good old fashioned US Mail. Unfortunately, we are not able to accept online forms of payment, or credit cards at this time. You may forward a check with your registration forms. Since the hotel does require firm numbers of guests, people will be invoiced if they must cancel after the deadline.

Deadline to register for dinner guests:	February 12 th , 2010
Deadline to register as a commercial vendor for the expo:	February 15 th , 2010
Deadline to register as a corporate sponsor:	February 12 th , 2010
Deadline to purchase advertisement in newsletter:	February 12 th , 2010

Please return the dinner registration form and payment to:
