SAVE THE DATE!!!
Registrations will open in January!

National Engineers Week (E-Week) is celebrated around the country every year in February to commemorate the birth of engineering, *beginning with the first US engineer and President, George Washington*. In New Hampshire, the highlight of this weeklong celebration is the Annual Awards Banquet and Engineering Trade Show that is held at the Radisson Hotel - Center of NH in Manchester. On behalf of the New Hampshire Society of Professional Engineers (NHSPE) and the New Hampshire Joint Engineering Societies (NHJES), we would like to invite you to join us for a series of afternoon educational sessions followed by a casual evening with friends and colleagues to celebrate our profession and to participate in awards for scholarships, Engineer of the Year and Young Engineer of the Year.

In celebrating 60-years of National Engineers Week, we are also offering an afternoon of educational sessions with some very special guest speakers for a total of 3 Professional Development Hours (PDHs) for our Engineering Professionals.

Our Key-Note speaker this year is "NH's favorite story teller", **Mr. John Clayton,** renowned Union Leader columnist and author of the *"In The City"* series and his latest release *"Remembering Manchester".*

If you should have questions about the event or wish to sponsor and/or participate in the Trade Show event, please contact Craig Bailey, P.E. or Roch Larochelle, P.E. by email at ctbailey@bailey-associates.com or rlarochelle@cmaengineers.com respectively.

****

For More information on National Engineers Week and the National Engineers Week Foundation, visit http://www.eweek.org/Home.aspx. The National Engineers Week Foundation is housed with the National Society of Professional Engineers (NSPE), 1420 King Street, Alexandria, VA 22134. NSPE is the Foundation Secretariat and initiated National Engineers Week in 1951. The New Hampshire Society of Professional Engineers (NHPSE) is the State Society of NSPE.
