Re: 61st Annual, 2012 NH National Engineers Week Banquet and Exhibition

Dear Member of the New Hampshire Engineering Community,

Please join the New Hampshire Society of Professional Engineers as we celebrate the annual **National Engineers Week**. This year we are continuing our campaign to be as efficient and “green” as possible. We have done away with thousands of paper mailings and similar to last year, we can take your registration information **and payment** through an online registration system. Please visit the completely revamped New Hampshire Society of Professional Engineers’ website at <http://www.nhspe.org/nh-engineers-week> to register.

Enclosed in this comprehensive invitation packet, you will find all the information and costs associated to register as a dinner guest, commercial vendor for the engineering expo, or a corporate sponsor. Also similar to last year, we are providing educational seminars for our guests. The “mini-seminars” are one hour technical discussions being held at the Radisson Hotel beginning at 1:30 in the afternoon. Our licensed guests will be able to earn up to 3 PDHs during the seminars.

Please visit the [NHSPE Website](#) and complete the registration online. Since the hotel does require firm numbers of guests, people will be invoiced if they must cancel after the deadline. Exhibitors and Sponsors use the same registration page as dinner guests.

Deadline to register for dinner guests:	February 10th, 2012
Deadline to register as a commercial vendor for the expo:	February 1st, 2012
Deadline to register as a corporate sponsor:	February 1st, 2012
Deadline to purchase advertisement in newsletter:	February 5th, 2012

Thank you very much for your continued support of Engineers Week. For specific questions, please contact me.

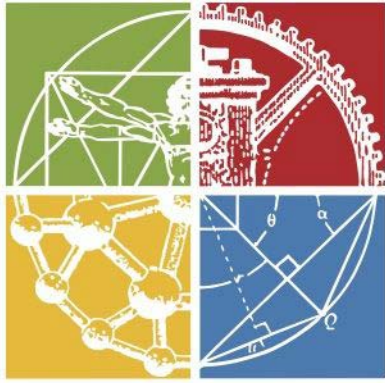

Lawrence J. Dwyer, PE
NHSPE, Engineers Week Coordinator
